Marion Views Spectacle of Giant Air Squadron Enroute to Ohio's 'War Zone'

MARION today saw the be-
ginning of a great war in
the air. Thursday the conflict
between two great air forces will
rage over central and south
western Ohio.

For three days Marion res-
idents have been warned of the
approaching conflict by the pass-
age of numerous airplanes headed
toward Columbus, the head
quarters of the Red Army. To
date however the city got its
first indication of the immensity of
the approaching war.

KEEP IT QUIET

Man Brags He Is Brother of Capone
Lands in Jail

WASHINGTON May 15—If
your name is Capone, don't
brag about it.

Various of his fellow lodgers
offered this bit of advice today to
a young man who has been
describing himself as Wish-
ington vs. Frank Capone, brother
of Scarface Al Capone, and
bad and

the police heard of it and
threw him in jail. There he said
his name wasn't Capone at all
but Frank Lioce, 24, a clerk of
Richardson at Brooklyn.

The police were not convinced
so they took his finger prints
and forwarded them to Chicago.

ELECTION HELD AT SESSION OF CLASSIS HERE

Lancaster Minister Named
President of Central Ohio
Denominational Group

REPORTS SUBMITTED

Annual Meeting Closes This
Afternoon at First Reform-
ed Church

The Rev. Ralph J. Hurrity of
Freewater was elected president of
the Central Ohio Classis. Ohio Stand
of the Reformed Church in the United
States at the opening meeting of the
self-same session, last night in
First Reformed Church, Marion. Mr.
Hurrity will take up his duties at
the close of the session Thursday
night.

The Rev. M. P. Schoenpflug of Somer-
set was elected vice president. The
Rev. H. C. Achtermann of Prospect
corporation secretary and the Rev.
John E. Winter, Clinton, third clerk
a completed election this morning.

A trustee will be elected after a re-
port of the trustees is made.

Sermon Subject

Making Church Surety with
Jesus was the subject of the ser-
mon preached last night by the Rev.
George F. Zorn of Galion, president
of the Classis. The Rev. Mr. Zorn
emphasized the value of unity in the
church and the taking of Jesus into
the personal lives of the ministers
and into their preaching. Today
people seem to have an obsession
for things as will but they over-
look the biggest thing, the spirit of

the sermon.

UNITED BRETHREN MAY EFFECT MERGER

Thirtieth Quadrennial Conference of Denomination Opens at Lancaster, Pa.

LANCASTER, Pa., May 15—Not far from Isaac Long's Barn, the birthplace of the United Brethren Church, delegates gathered today for the thirtieth quadrennial conference of the denomination.

They will discuss among other things a merger with the Reformed Church of the United States and the Evangelical Synod of North America to form a new church under the name of "United Church in America."

The new church, which would have a total membership of more than a million, will be discussed during the course of the conference which will be in session to May 26. The conference is the first to be held near Long's Barn, where in 1780 Philip W. Oberleben, a missionary of the German Reformed Church, and Martin Boehm, a Mennonite minister, with a number of religious leaders founded the denomination now known as the Church of the United Brethren in Christ.

National Speakers

Among the national figures who will address the conference are: Senator Simon D. Fess, of Ohio; Dr. Dietrich H. Chorlton, of Westerville, O., general secretary of the World League against Alcoholism; Dr. Daniel A. Poling, of New York, president of the International Christian Endeavor; Dr. Hugh S. Magill, of Chicago, Secretary of the International Council of Religious Education; and Dr. Charles L. Goodall of New York, of the Federal Council of Churches.

Dr. W. R. Funk, head of the denomination's million dollar printing plant in Dayton, O., reported that the gross earnings of the plant for the past four years was \$307,000 and for the 32 years of his membership, \$1,852,000. The business of "The Oberlein Press," publishers of 35 church periodicals, amounted to \$800,000 during the past year. The 21-story reinforced concrete office building, in which the plant is located and which houses all general departments of the church, is the tallest of its kind in the world.

Large Membership

Miss Alice E. Bell, general secretary of the Women's Missionary Association, reported that the association had a membership of 61,668 and receipts for the past four years were \$629,492.26, leaving the total of the association's funds to \$2,772,410.

The church conducts its own seminary, the Bomebrake Theological Seminary at Dayton, O., from which 650 men and women have been graduated and the total assets of which reach nearly two million dollars, according to the Rev. G. D. Batdorf, business manager.

REPORTS LOSS

Marion Township Farmer Lists Sheep Killed by Dogs

Twenty lambs, valued at \$40 and one ewe valued at \$10 were killed by dogs last week, according to the report made to County Dog Warden Dale Rhodes by Marion township trustees. The sheep were owned by Leo Sample of Marion township.

The dog warden impounded eight dogs last week, according to his report filed yesterday with the board of county commissioners.

GOV. COOPER BANS GAMBLING AT RACES

But West Jefferson Officials Make Little Effort To Stop Preparations

COLUMBUS, May 15.—A "no gambling" proclamation was issued

SEDAN AND COUPE GLASS
MALO BROS.

**Cleaner and polish in one**

The chair or table, the hardwood floor or linoleum, the motor car that is polished with Hoover Polishing Wax is at the same time cleaned. You can't go over a surface with this new-type liquid wax without making it cleaner, for it gathers up the dirt as you spread it on. Then it dries—immediately. And all that you need do is give it a light going-over—not a violent rubbing—to bring out the shining loveliness of its hard, clean finish.

HOOVER POLISHING WAX

is a wonderful protection to fine finishes, because it clings tenaciously; isn't sticky; doesn't collect dirt; is waterproof. On floors it has an added advantage—it is not slippery. On any surface it spreads thin and goes far. You will find it at Department, Furniture, Hardware and Drug Stores and Garages.

One-Half Pint \$5.50 Pint \$1.00 Quart \$1.50

The National City Bank & Trust Co.

Fred E. Guthery, Pres. L. D. Zachman, Cashier.

here today by Gov. Myers E. Cooper, in connection with the scheduled whipper race at the West Jefferson dog track, opening Saturday. The chief executive also added that he expects Madison county officials to enforce the state laws against the gambling, without further instructions.

Clean sportsmanship or persons paying admission to see the dogs run, is not opposed by the chief executive but "law enforcement officers are expected to do their duty in connection with gambling," Cooper said.

Free tickets, termed "for boar and party" for the duration of the season, which is contemplated to be a 30-day meet, have been issued by the hundred, according to B. A. Sergeant, treasurer of the West Jefferson Kennel club. The pari-mutuel

system of betting is to be employed, Sergeant also stated.

Sheriff E. U. Blauner of Madison county, has indicated that he has made no preparations to interfere with the meet and Dr. G. N. Kerr, president of the West Jefferson council, revealed that the village looks to the races as a source of much-needed revenue. The governor has power to remove a sheriff, mayor or chief of police for failure to enforce the laws.

DROP INVESTIGATION IN DEATH AT COLUMBUS

COLUMBUS, May 15.—Because they claim they are unable to obtain any information from local Chinese residents, regarding the mystery of Lee Lee, 50, missing Chinese laundryman, police have dropped the matter, and the body of a half-clad man, taken from the Scioto river Monday, at first believed to be Lee Lee, has been buried as an unidentified man.

Lack of evidence that the body found in the river was that of a murdered man, was given as another reason for dropping the case, by city detectives.

DeCliff News

DECLIFF.—Mr. and Mrs. S. D. Southwick entertained at dinner Wednesday Mr. and Mrs. Gordon Southwick, of Mt. Victory, and Mr. and Mrs. Ralph Newson.

Mr. and Mrs. D. Watson were Sunday visitors at the H. S. Roux home.

GEORGE W. PARKS DIES OF APOPLEXY

Retired Farmer, Stricken Sat-
urday, Succumbs at Mt.
Vernon Av. Home

Mrs. L. P. STALLWERTH and
Mrs. Grace Morrison, both Texas
women met on the street in Marion
yesterday telling the police "Last
woman was a rival for my husband's
affection."

That's a dangerous thing to do in
Marion and in many other places.

What Texas girls will do about
it you can guess.

Two fraternal presidents are ex-
pelled from Northwestern University
for fraternalism suspended

the fraternities had served gun
and punch at entertainments.

It is easy to expel gundrinking or
spiking students, but impossible
to expel the well-established
bootleg industry.

Two fraternities will be held at
a clock Friday afternoon at the J.
M. Gunders funeral home in Cleveland
followed by interment in that city.

Mr. Bowyer was well known here
and was the daughter of the late
Thomas Dawson of Caledonia. She is
survived by her husband, two daughters
Mrs. Mildred Becker, Cleveland
and Hazel, a home and one son, Vir-
gil, Cleveland. Two grandchildren
also survive.

FACES ASSOCIATED WITH
Hearing of the funeral of Mrs. Bowyer
was set for May 16 in July.
Martin this morning. His home was
faced a \$100. Checks were mailed to
the family. Coffin and services at

the family home at the U.
L. Curtis C. C. funeral home.

MOTHER DIES ON WAY TO HOSPITAL

Mrs. Estella Walters, 40
Claimed Following Birth
of Child

Mrs. Estella Walters age 40 years
died at 3 o'clock this morning as she
was being taken from her home to
the City Hospital following the birth
of a daughter. Her death occurred as
she was being removed from the M.
H. Gunders home into the hos-
pital. The child which was named
Estella Mrs. died not live.

Mrs. Walters was born in Clinton
County on Jan. 18, 1889, the daughter
of George and Mary Lee Phillips.
She was married to Tom J. Walters on
April 1, 1927 in this city. The Wil-
ters home is at 707 Wool St.

She was a member of Wesley M.
I. church.

Mrs. Walters is survived by her
husband, four sisters, Mrs. J. B.
Vergan and Mrs. J. D. Spruce of this
city, Mrs. J. C. Dolittle of Clinton
O. and Mrs. C. C. Holcomb of Rad-
cliffe O. and four brothers, Eugene
and Frank of Marion, Paul of Co-
lumbus and Bert of Dayton O.

Funeral services for Mrs. Walters
and the child will be held Friday
afternoon at 2 o'clock in the Wesley
M. I. church in charge of the Rev.
George A. Whetlock. Interment will
be made in Marion cemetery.

The bodies are now at the M. H.
Gunders funeral home but will be
viewed at the Walters home Friday
and Friday until the services are
held.

UNDERCLOTHES OPERATION

Rev. Karl W. Paulson pastor of the
Prospect Street M. I. church is re-
ported improving following an opera-
tion Tuesday morning in a Detroit
hospital.

THE MARION STAR

THE HARDING PUBLISHING CO., owner and publisher of The Marion Star and Morning Tribune consolidated September 24, 1922, under the name of The Marion Star.

Founded 1877. Re-established 1914.

Entered at the Post Office in Marion, Ohio as second class matter.

ISSUED EVERY AFTERNOON, EXCEPT SUNDAY.

Marion Star Building 135-143 N State St.

Single Copy 5 cents

Delivered by Carrier 15 cents

By mail in Marion adjoining counties year \$4.00

Beyond Marion and surrounding counties \$5.00

Persons desiring the DAILY STAR delivered to their homes can secure it by postal card request or by ordering through telephone 2314. Promote complaint of irregular service is requested.

STAR TELEPHONE.

Call 2314 and ask The Star switchboard operator for the department you want.

WEDNESDAY ······ MAY 15, 1928

Star subscribers will greatly facilitate good delivery service by making all communications to the business office, not to carriers. Phone 2314

Daily Proverb—Water is the least valued among things existing and the most cherished among the things wanted.

After June 1 French taxes on American products will be two dollars and they will be good for two years instead of one as at present. There's a saving of eight dollars on your annual European trip.

We assume that the marines employed in establishing the president's fishing camp and constructing the road to it could not have been added to the 143 men taken from the Mayflower to help fill the gaps in our under-manned fleet.

The ultra drys, it is hinted, will oppose the appointment of George W. Wickersham, former attorney general of the United States as head of the Hoover law enforcement commission. Do they fear that Mr. Wickersham can be influenced or that he can't?

The Canadian government has seized five United States salmon trolling vessels on charges of violating international fishing regulations. That is alone incident to bearing fruit which is not liable to prove overly pleasing to Uncle Sam.

The Anti Prohibition association says the dry laws cost the country \$235,000,000 in 1928 of which \$300,000,000 resulted from loss of revenue which is just about the poorest argument for the resumption of the sale of liquor that could be offered to a decent minded public.

A former keeper of reptiles in New York's zoo is dead as the result of the bite of a rattlesnake, the poison serum administered proving unavailing, possibly the result of delay in its injection. In the old days snake hunters told their snake bite remedy along with them.

The Pennsylvania bootlegger who has been hiding his bottled goods under a setting hen should be prosecuted to the limit. No man has a right to corrupt the morals of a faithful hen by intriguing her into participation in a business so notorious.

We assume that we may take the story denied by him that Mr. Mellon is about to resign as another manifestation of the cheap slate campaign to drive the best secretary of the treasury in the country's history out of public service.

The United Mine Workers of America charge that they are gagged by the courts of Indiana from holding meetings in the Hoosier coal fields while the Communists are not free to hold meetings but even protected in their campaigns to convert the miners to the teachings of Moscow. It is a bit hard to credit a charge like that but then the courts are not infallible.

Fine Lighting System Assured.
Council has voted to extend the street lighting system which has done so much to enhance the appearance of west Center street from Oak street eastward on that thoroughfare to Baker and on Main street from Mill to Columbia and Director of Public Service Benedict has been authorized to enter into a contract with the Columbus, Delaware and Marion Electric company to that end.

It is apparent that members of council are not altogether happy over the fact that the rate agreed on is an advance over that being paid on west Center street and the statement has been made that it is more than other communities have been asked to pay. On the other hand the Electric company holds that the rate on west Center street is too low that a mistake was made in figuring it and that the rate for the extension of the system is a perfectly fair one.

Whatever the facts may be the majority of the interested property owners along the streets to be improved favored the extension of the system at any price within the bounds of fairness and reason and council has acted to meet their wishes.

The system already installed and in operation is so beautiful and has done so much to improve the appearance of that portion of west Center street which has been reconditioned, that this paper feels that it would have been a mistake had any other style of lamps and standards been adopted. Not only has the appearance of west Center street been improved at night, but the new lamps actually add to its appearance by day. We can not feel that, such being the case and the property-owners willing council was justified in stretching a point, if it did that in authorizing the improvement and making the lighting of the up town business section a homogeneous whole.

This paper is frank to say that it is glad that council took the action it did Monday night in authorizing the improvement, and we believe that the improvement when completed will call out general approval of council's action.

Home Education.

It is estimated that one person out of every thirty-eight of the United States population is being educated through the medium of home study instruction. This estimate affords a helpful comparison with another which states that one person out of 114 is enrolled in a university or college.

The desire for advancement is present in the heart of every young man. It remains until he is convinced either through adversity or the calm processes of reasoning that he is incapable of further progress. Fortunately, most persons are prone to believe that their possibilities are practically unlimited which is of great value to progress. Those who never try never get ahead.

Opportunity for home study is a comparatively recent advantage of social development. It has come as a response to an acute demand for educational opportunities in cases where advanced schooling has been impossible. The products of this type of training include many of the most influential men in the country. They have had the ambition to learn while they worked and as a consequence, the vagueness of a prolonged course in a resident school has been eliminated. Their studies have been strictly of a practical nature to fulfill specific shortcomings. Progress has been measurable by their advancement over business and professional associates who have failed to take advantage of self study.

Increasing opportunity for study is one of the more cheering aspects of American development. Originally a group thrown upon its own resources and obliged to fight for existence in the early days of American cultural development were meager tools for education. Time and progress have softened the rigors of a strange environment and have made life an easier process. The weak have been encouraged to develop in a commensurate measure with the natural development of the strong. Opportunities have been made equal for every one as far as possible.

Great organizations always on the alert for increased efficiency have adopted the home education plan eagerly and have in many cases established their own schools for employee use. Five thousand large companies and corporations urge their employees to educate themselves for advancement. Over 300 railroads also have endorsed the plan.

It is one more important step toward the ultimate goal—a state of society in which each individual is educated for the position which his natural abilities and inclination fit him to occupy.

A man committed suicide by jumping from the Statue of Liberty on Bedloe's Island Monday. In time no doubt this country will take a lesson from Old world lands and screen openings in high places to which the public is admitted, but it is taking the country an awfully long time to see the wisdom of such a course.

To Suppress German Red Army.

While it may be as the German Reds have claimed that they did not hope to overthrow the government of Germany on May day and establish in its stead the misgovernment which have made Russians the world's most afflicted people, but that their purpose was merely to try out their strength the result of their rioting may have other effect that the deaths of twenty-four and the wounding of hundreds chiefly of their own side, it may result in causing the German government to try out its strength against them.

The decree of the Prussian minister of the interior in suppression of the Red Front Fighters throughout the Reich may be taken as an indication of the government's purpose in that direction.

Berlin advises us to the effect that the dissolution of the political red army will lose to the German reds their most militant and effective fighting organization. It will provoke serious resistance on the part of the Communists representatives on the Reichstag and Prussian diet and cause a renewal in an intensified form of the noisy demonstrations which followed the suppression of the Communists chief organ the Rote Fahne. Is beyond question especially so since the ban placed on the red army comes from the Prussian Socialist minister who like the Berlin Socialist chief of police is the object of their bitter hate.

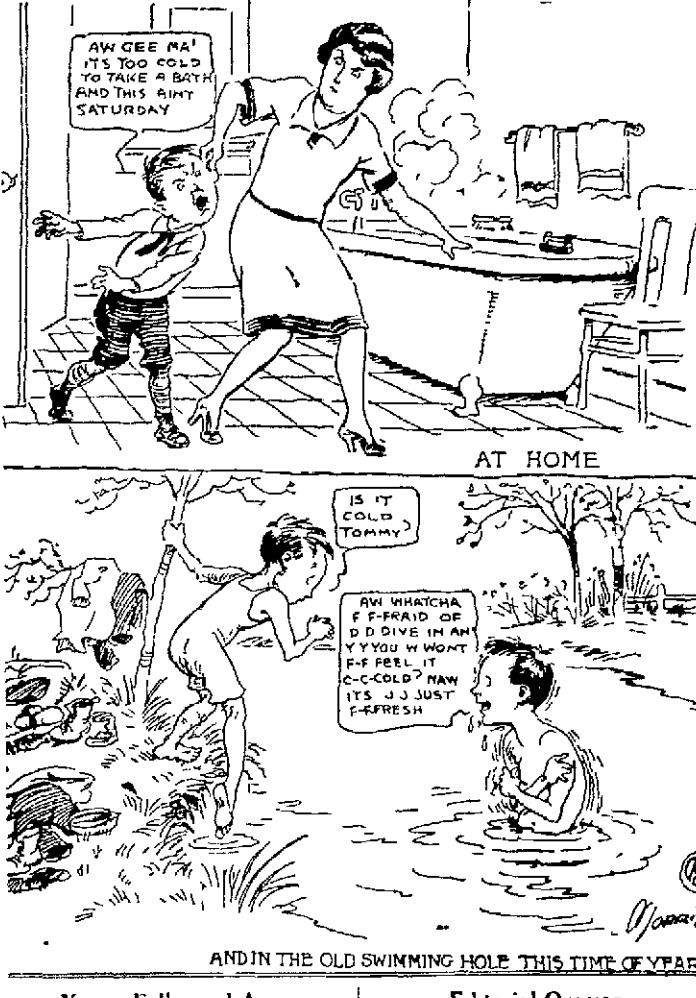

However it seems to be the thought of the government that no matter what the result may be there is no better time than the present to put down Communist activities than now, is the psychological time for a test of strength which must be accepted as the course of wisdom. No government can long endure if it permits a military organization not only openly to do it but to defy all rules of law and order as well. And this is especially true when the membership of that organization is encouraged by and given the support of official soviet Russia which has been responsible for greater life less greater property loss more suffering and misery and more offenses against God and man than the governments of all the czars from Ivan the Terrible to Czar Nicholas both inclusive.

Betting having been prohibited at Northampton the races were called off which once again gives us a tip on what constitutes the chief sport at a race meeting.

About all the northern visitors having quitted Florida the dry winds of righteousness are said to be blowing briskly in that state again. Florida seemingly is dry in the late spring summer and early fall from principle and wet during the interim for the reverse to be gained through wetware.

Edouard Herriot, former premier of France and for twenty-one years mayor of Lyons, was defeated for reelection to the mayoralty and many other radical went down to defeat in the French battle of the ballot. Sunday. France seemingly has joined the long list of European nations which have become tired of radicalism.

WHEN TOMMY BATHES.

AND IN THE OLD SWIMMING HOLE THIS TIME OF YEAR.

Young Folks and Acne

BY ROYAL S. COFFIT AND M. D.

Health is regarded as the most precious possession.

It is natural that questions shall be asked about

what to do in this ailment on the other

hand letters come in every week asking

for information regarding various diseases.

Very body recognizes that imperfections of the skin are an evidence of impaired health. Our normal and also in a there is a certain degree

of embarrassment associated with the appearance

of skin troubles many persons seek a means of removal of these blemishes.

It seems to be the bane of youthful development that at certain times of life there shall be pimples and eruptions of the skin. It is too bad that this period coincides with that period when boys and girls begin to like each other.

Blackheads, red swollen spots and bird lumps that never come to a head, turn the complexion dark and forebode are the joys of the fate likely to be invited. The shoulders and upper part of the chest are other places where the eruption may appear.

The acne from which all such disturbances

of the skin is acne. Acne is found among

boys and girls are met.

Beginning at the age

of ten or twelve it goes on for several

years. It rarely ceases after the age of twenty

I want to speak about it. In my opinion one of the most important factors in the production of this disease is a lack of cleanliness of the skin.

So we skins are so much that they are not readily

infected. The fine smooth small pores are pretty safe. If the skin is congested and

possesses large open pores it is very liable

to acne.

You can see that unless a skin of this sort is

scrubbed clean with soap and water it won't be

long before the pores are filled with dirt.

Within a short time the pores have become a breeding

place of germs. It will be the first

infestation of the skin and the formation

of an ugly rash.

Next of the hill another factor. Ion means

children are in a state of health and strength

they eat excessive quantities of fat and starches

and hot biscuits. I will not tell you that this

is a mistake.

I tell you not that I have any objection to the

foods just mentioned. In their proper place and in

reason it quantities they are quite all right. The

trouble with young people is that they

indulge excessively in the things they are likely

to eat fruits and green vegetables and

course meat.

The person inclined to acne skin should

drink quantities of water. It is important to have

the wastes of the body carried away properly.

An abundance of alkali will help to accomplish

this activity of the body and I have

been successful in doing this.

I insist on the open air of vital importance.

Every day that can be the skin prosper will

make it good health.

Some other time I shall speak more at length

regarding the care of the skin. Perhaps I

have enough today to tell you a great deal.

Perhaps I have enough to tell you a great deal.

ANSWERS TO YOUR QUESTIONS

A. M. Q.—What causes numerous fine blood

vesicles around the nostrils?

A.—May be due to circulatory disturbance. I am

not a medical specialist for treatment.

A. Reader.—Can anything be done to keep

one's nose from getting soiled?

—What do you say for moles?

A.—No.

—Moles may be noticeable in the

use of the skin. In the United States an expert

Social Activities

A CHARMING social event of the season was the dinner and bridge at which Miss Mary Pentock and Miss Veda Shaw were honored last night at the Marion club. Lamps were in the candle light carry out a lovely color note in pastel shades in the decoration for the tables and throughout the room. During the dinner announcement was made of the engagement of Miss Shaw and C. H. Ranch. Table tables were arranged for cards, honors going to Miss Ruth Starr and Miss Helen Jacoby and the consolation award going to Miss Pansy Haubauer.

Guests included Misses Ollie Allender, Edith Brown, Mildred Crow, Louise Cunningham, Eddie Foreman, Isabel Freer, Jean Freer, Mary Helpfuley, Helen Jacoby, Irene Klappenstein, Lyndall Miller, Rachel Mcree, Pansy Radcliffe, Pensy Smith, Ruth Starr, Lila Jacobs, Mabel Farney and Margaret Walling, teachers at Hardin, high school and Mrs. Virgil Shaw. Mrs. Harry Swanson, Mrs. G. H. Ricker and Miss Nellie Freer, Miss Shaw and Miss Penick are members of the faculty at Hardin high school.

THE Tuesday Study club will be on for a picnic Tuesday afternoon, May 21, at the home of Mrs. J. A.

NAME RADNOR BOY FOR SCHOLARSHIP

Lloyd Jones One of First Entrants for Edison Award

Lloyd Jones, a senior in Marion High school is one of the two boys whose names were the first to be presented to the State Department of Education as candidates for the scholar ship to be given to the American boy who shows the best promise to be the successor to Thomas Edison, noted American inventor. The scholarship will be known as the Thomas Edison scholarship and will be open to any American boy. The other boy whose name was submitted with that of Jones is Kenneth Ulm of Circleville. Jones is validating his class this year having made an average

grade of 90 for his high school. He was active in high school debate being a member of the team for two years. I participated in football, basketball and track. He is the son of Mr. and Mrs. David Jones.

On educational authorities are looking throughout the state for young men who might be the scholarship. Each state will pick its student as its representative and then Mr. Edison will make the final choice for the national winner.

Service of Great Value to Community is Provided Through Red Cross Work

Aid Extended War Veterans and Civilians Keeps Organization Here Busy Throughout Year. Nursing Department an Important Feature

Instead of taking money out of the city that will be needed by the American Red Cross brings it into the city throughout the year in its work with the veterans of the World War. Eleven years after the war ex-service men still receive compensation for injuries that can be directly traced to the great conflict. The Red Cross is one of the agencies in the

area that will be benefited by the money that will come in during the year. One mother will receive \$20 a month under the same arrangements.

Back Compensation. Six cases of back impairment have an annual income. It is hard to figure the amount of money brought into the city this year through the work of the Red Cross.

The Red Cross agents here keep the ledger in tracing information before the \$1,000 compensation is paid by the Red Cross to the death of each veteran.

At the end of the year ending

for ended November 1st Miss Margaret D. W. is executive secretary of the local chapter who has been in the position for 11 years. The report for the year was \$1,600. Mrs. W. is home visiting relatives and letters received 176 letters.

She will be here a few days more with the veterans taking a permanent place in the Red Cross work with local civilian relief.

Always on the Job. The Red Cross is a city department and is reported to the city as burdens to society but where you need it to help others and it is reported the Red Cross is on the job.

One hundred ex-service men were aided during the year ending December. Thirty-five ex-service transports were given relief according to the report.

Any form of the war is entitled to hospital care and the Red Cross has aided many men using this privilege which is invaluable in point of expense and the high professional knowledge that is at the service of the men who have fought for their country.

During fair time one of the open spots on the grounds is the Red Cross encampment which is a competent nurse is willing to take care of the injured common at this time. It is typical of the Red Cross that its valuable corps of men is always on hand where large crowds congregate.

Nurse Kept Busy. Mrs. I. M. Mangano, 31, is the local Red Cross nurse and is busy most of her time making calls and in the sick. Recently the Red Cross went into the home of a family where twins were born showing the mother how to wash and properly care for the babies and so it that there was proper nourishment for the mother.

The office in the Lyles building receives a great many telephone calls every day for general information on houses, veterans compensation, city relief work and other questions of interest.

One man from out of town, it is such faith in the Red Cross that he recently wrote the organization asking whether or not it would act as his real estate agent to see that his house was properly handled and cared for and to repair it if it was necessary.

It is like that should put the Community Fund drive over the top for the Red Cross.

This sign is on our place of business. We sell the Exide, made by The Electric Storage Battery Co., but we cheerfully service all makes.

To
WIVES
whose husbands
always
put things off

THIS advertisement is addressed to those long suffering wives who know from experience that "the best way to get a thing done is to do it yourself."

Getting a husband to mail a letter is child's play compared to making him remember to have the battery in the car inspected regularly. But at this time of the year, when you're taking long trips and doing plenty of night driving, it's highly important to always keep your battery in a condition.

So here's our suggestion. Why not put the Exide Service Station on your shopping list and drive in at least once every two weeks so that we can look your battery over?

CALEDONIA W. C. T. U. MEETS AT CHURCH

Miss Edna Sickel Wins
S. P. Vocal King's Daughter
Entertained

NTA May 15—The local S. P. Vocal King's Daughter was entertained at the church on the evening of the 15th.

John C. Marion T. L. 140 cent was one of the most popular in Marion during the evening. With strange intonation the Rev. Geraldine Sickel was in the contest. Miss Mary Welch was Artis Duncie. Mr. Marion and I. A. were each given a certificate of participation by Mr. Marion.

After Mr. Marion S. P. Vocal King and Mr. W. H. Herring in talk on Crime and Punishment, a musical duet was given by Sickel and Mr. Marion. The church was filled with the sound of music.

Entertaining King's Daughters were Marion Miss Lillian Wanda Geddes and Helen Warwick performing. Daughters at the home of Mr. Marion Monday night. Mr. Marion concluded the devotion with the Rev. Geraldine Sickel and Mrs. Marion. The business meeting was held for a new chapter representing four Wesleyan day night June 10. The service was given by Mr. Marion. There were Ethel Doyle, Marion, Opal Timson, Zora Hill.

Nora Doyle, Alta Hill, Sarah Horn and Mary Lyon, Jessie Hopper, Irene Cull, Ella Stevens, Grace Skidmore, Mollie Parker, Laverne Sastrow, Irene Williams, Henrietta Gardner, Ruthell Hoffman, Faye Gandy, Elizabeth Leggace, Wanda Codd and Doris McRae.

Attend Fulton Meeting W. S. Kimble, J. O. Keeler, Joe Blair, J. W. Tidron and Harley Gray attended the Knights of Pythias Lodge meeting at Fulton Tuesday evening and witnessed the confirmation of the rank of a pure ex a class at early dates. Lunch and a smoker was enjoyed at the close of the meeting.

Birthday Party Mrs. Forrest Lipscher entered into a dinner Tuesday in celebration of her fourth birthday anniversary of her daughter Evelyn. Cover was laid for Mr. O. I. Up her Mr. Charles Clark, Mrs. Kenneth Lougier and children Mary Lee and Eugene John. Mr. and Mrs. F. W. Lipscher and the host. A birthday cake with four candles centered the table which was decorated in red and white. Miss Evelyn received a number of gifts.

SHOT AT STATION

Gas Operator Dies at Men Fowling About Brandt Pump

SHREVEPORT, La., May 15—The Zone 29 Philadelphian was in a critical condition in a local hospital here today and a man named Herschel Davis, 21, who brought the wounded man to the hospital was under police surveillance.

Zone according to report was shot when he was alleged to have been tampering with a gasoline filling station pump at Brandt's pump here. John Warner, proprietor of the station admitted firing the shots at the two men whom he said he believed to be prowlers.

U. S. INDICTS 2

DAYTON, May 15.—In a partial report returned by the federal grand jury in session here today, 7 persons were indicted for conspiracy to violate the national prohibition law.

FIVE GENERATIONS

The son of Walter Donough and a great great grandson of Mrs. Garber is shown in this picture. It was taken a short time ago at the home of Mr. Lewis Garber, second from left in Blythe. On the extreme right is the son of Mrs. Ames Donough and the grandson of Mrs. Garber. Walter Donough, age 27, on the extreme left is the son of Leonard Donough and the great grandson of Mrs. Garber. Walter Garber, Donough, age three years represents the fifth generation here.

The following year trees are in bloom in Vernon Heights. See them again.

Night Racing

The most popular sports of today with the exception of prize fighting all take place in the daytime depending on the rays from Old Sol for illumination. In recent years football has been played under the glare of incandescent lights, dog racing and trap shooting events have been held at night.

This season will find the horse racing game getting the first test as a night sport as a result of an artificial lighting system being installed in the Miami track in Toledo.

The result of the trial experiment will be watched with considerable interest throughout the country. And in some sections it is predicted that within a few years horse racing will become an almost exclusive night sport.

How It Works

WHEN the subject of night racing was first approached in Toledo engineers were confronted with the problem of securing even illumination around the mile track.

Two rows of lights are to be erected along the home stretch 62 feet apart. These lights will leave a clear track at the finish void of any shadows.

On the turns and in the back stretch a single row of lights placed 70 feet apart. One hundred and twenty two lights will be used to light the course and the lighting units placed 40 feet in the air extending 10 feet over the track. The lights will in 1000 watt bulbs.

Success Expected

OCAL followers of the sport are looking for the idea to be a huge success at Toledo. Toledo it was stated, has not been such a floundering success as far as racing is concerned, the attendance falling to the lowest point in the history of the sport.

Night racing will remove the sport from direct competition with afternoon athletic events such as golf and baseball. Officials are expecting the attendance to be nearly doubled.

Due to the large expense connected with the installation of the lighting system night racing is not likely to invade Marion for many years, although there is no doubt that what it was to be a great aid to the sport.

**3 COLORED TEAMS
ARE BOOKED HERE
FOR MAY AND JUNE**

Local Tossers Will Play Lima
Superior Motors
Sunday

COLORED baseball teams will take a prominent position in the 1929 schedule announced by the Marion League for the remainder of May and the first four Sundays in June.

The Eagle team out last Sunday will play the Lima Superior Motor Club team of Lima at 1 p.m. in park this coming weekend. The Lima team was originally scheduled for last week.

In addition to holding the Lima Industrial league championship for two years, the team also claims the tri county championship. Just what three counties this title covers is not known.

Last week the Lima club was defeated by the Lima team of David McGehee 10 to 8 in a hot session. Major Carter of the Industrial club was in Lima Sunday and today visited no word in praising the abilities of the Lima team. He said the Motor Coach team is rated as the best drawing card in Lima outside of the Indians.

Three colored baseball associations have been booked for appearances here in this month and next. A week from today coming Sunday the champion colored team of Ohio, the Columbus Keystones are scheduled.

The Marion Red Sox a fast colored nine out of the south will in the attraction for June 10. June 10 the Florida Cuban Giants are to be led. The Giants played here last year and although not up to the class of the Homestead Grays gave a very good exhibition. That completes the dark side of the Marion baseball schedule for the two months.

In between these two Ohio teams are scheduled. The Ohio Motors of Toledo are to play here June 10 and in June 20 a Wakeman O. team is booked.

**SPRINGFIELD 9 MAY
DROP FROM LEAGUE**

Dunn Delivers Ultimatum as
Attendance at Games
Takes Slide

SPIRITUALLY May 15.—That the Springfield baseball club members of the Central Ohio league may be abandoned for the remainder of the season was contained in an ultimatum delivered to local fans here today by Joe Dunn manager and owner of the club.

The club cannot continue to operate as a losing proposition as it has been doing in the past. Dunn declared. The attendance at the local games has been very disappointing. Dunn said and unless more interest and more enthusiasm is shown there will be no alternative. The famous manager added.

ANOTHER CUB FLINGER

**DERBY TRIALS FAIL
TO PROVIDE DOPE**

Two Favorites Do Not Run in
Preliminary Event at
Churchill Downs

TO ISAWITTY May 15.—Turf enthusiasts who hoped the derby trials would furnish an inkling of the probable outcome of the Kentucky derby next Saturday were forced to day that yesterday's dash won by Windy City aphidged scant enlightenment.

It will be the derby trial offers an augury of the annual classic's result but directors and the situation has not been finally clarified.

Eleven potential derby candidates took part in the trial over a muddy track but Blue Larkspur and Claude Van Doren were eliminated.

Uncle Wilbert is
WILLING TO RESIGN

Rumors Revived That Brook-
lyn Club Will Be
Sold

NEW YORK May 15.—The Brooklyn baseball club had another major crisis on its hands today as a result of the declaration of Wilbert Robinson that he is quite willing to step down from the active management of the club provided he is retained as club president and is permitted to serve out the balance of his managerial contract as chief scout. The club president has been criticized freely because of the poor showing of the club which is in last place in the National League.

If the directors of the club who are opposed to Robinson want him to leave the club will be carrying a \$1,000 extra burden.

The statement of the headed man was received reports that the club might be sold to Louis E. L. news paper owner who offered to buy it last year.

**INDUSTRIAL LEAGUE
TO OPEN RECREATION
SEASON THURSDAY**

Fleeting Smiles from Old Sol
Revives Hopes for Good
Weather

OLD SOL the inaugural handcap of Marion recreation ball teams is favoring city diamond with one of his fleeting smiles today giving just four hours at least 10 of the four leagues will be able to start play this week.

The two Sunday school leagues selected to play on Monday and Tuesday nights were completely washed out by a heavy downpour on both nights.

If weather conditions permit the Industrial league will open the season Thursday night. The opening games will give a fine idea of the strength of the various teams but no exciting battles are expected. The Erie Yard men and the Rounders will play at Shad Hollow and the School Club at Fairhill. (See ed. at 1. Hockin, Villet, Lincoln and the C. D. M. and Fisher at Goshen.)

Real games are expected Friday night in the opening Commercial league games. Prospect a new entry in the league plays the Eagles at the Shovel in the outstanding contest. The Eagles with Marion pitchers are being honored along for another title. The team that makes the least number of errors will probably win the clash between the A. M. L. and Marion nine. This clash is scheduled for the Farnell diamonds. Other games on tap are K. of P. vs. Shovel at Lincoln, Kappus vs. Star at Garfield.

No games are scheduled tonight.

**YANKEES MAY LOSE
SERVICES OF ROOKIE**

St. Louis Cards Making Claim
for Pitcher Roy
Sherrid

CLEVELAND May 15.—The New York Yankees whose most pressing need is pitcher today were faced with the possibility of losing the services of Roy Sherrid, relief pitcher. The St. Louis Cardinals are understood to be claiming him as their property and Sherrid left here last night for Chicago to be questioned there by Commissioner Kenesaw M. Landis concerning his status.

Sherrid then an amateur was tried by the Saltburg club in the eastern shore league in Maryland for five weeks in 1926. He was released unconditionally but the Cardinals claim he should have gone to them because they have a working agreement with the Saltburg club giving them first claim on all its players.

Sherrid says he signed no contract to play professional ball with any club before signing with the Yanks last year. There is a possibility that he may be declared a free agent.

Most men don't need hollies because they have them in their pockets.

**First Year Men In Majors
Find Ball Not So Lively**

BY DAVIS J. WALSH
THERE are a lot of high powered dissertations being aired these days on the matter of what the liveliest ball is doing to baseball but I would venture to say that as far as the average first year man is concerned major league pitchers undoubtedly are using a very lively sashay night wrapped up in corpora. With but few exceptions notably Alexander and Johnson of the Tigers, Averill of the Indians and Swanson of the Reds the bright young men from the minor leagues are hitting nothing except maybe the bat at night.

They are young humans in the mid of test prodigies for to date the National League has smote 117 home runs to 86 in the American and it seems that everybody and his little brother are intent on making a mug out of the much aggrieved pitcher. In fact if it gets any worse it will be only right if they play the rest of the averages on a basis of 600 or 700 count. It is all the more disturbing therefore that so many of the big money bats are unable to do their selves any good.

Porter Flrops

There is Dick Porter for example. He was supposed to be a fool proof pitcher down in Baltimore but to date all he has to show in the American League is 211. Against his International League average of 200, the Indians finally took him gently out of the game but right now he is setting on the bench in a highly sensational manner.

So is Charley Gollert who came to the Cardinals from Rochester with a 210 record. He was hitting only .190 when they pulled him out of the lineup some days ago and yesterday he got back again long enough to go hitless in three additional times.

Secrets of the Red Sox hit in the minors last year but unoffically today he hasn't much if anything over 200. His average of the same outfit is around .200 too although he hit .22 on the coast last year.

This might be worse at that is a fact. Another coast leaguer to prove himself has been few the approximate 200 of Alexander whose blunder at the outset has become a triple record. He was hitting over .200 when they pulled him out of the lineup some days ago and yesterday he got back again long enough to go hitless in three additional times.

But these are only the first few whereas the main are making a real come back. Let's look at a few of the pitchers.

Porter Flrops

Left Grove rushed from the minors in the ninth saved the game, fanning 10 men with the bases loaded. Malone, Chicago, a right-hander who had won all of his starts was sent against the Browns and lost a 12-inning battle 1 to 0. The Cubs dropped back to a tie with the National League lead at 10. Malone, who had been idle since the start of the season, was 10-0. He was 1-1 in his first three games. Malone batted .340 in the winning contest played in Boston this season. Malone was 10-0.

One never knows how close to his last he is come until the winning team arrives.

DAWSON 10 PLAY

N.Y. 10-10—John Dawson, amateur golf star of Chicago, will be on the fairways tonight for the 10th annual U. S. Open, starting at 7 p.m. at St. George's Sandwich, on June 10. Dawson will be the leading American in the tournament.

**TIGERS' RISE AND
BROWNS' FALL ARE
FEATURES OF SERIES**

Braves Win and Cubs Draw

to Tie with Cardinals

THE first series of interest battles in the American League will end today. The fall of the Browns and the rise of the Tigers has been the outstanding story of the east's west contests. The Red Sox led the league before the season was over, the Browns dropped six out of eight games.

Detroit practically left at the start of the race has come on a rush and now looks as though it will be a western contender.

Philadelphia has won five and three in the trip and the Livingshield seven out of 10, the Indians gaining one game. The Athletics lead the league by half a game, due to virtue of their 10 to 10 over the Tigers yesterday when both were idle.

Left Grove rushed from the minors in the ninth saved the game, fanning 10 men with the bases loaded. Malone, Chicago, a right-hander who had won all of his starts was sent against the Browns and lost a 12-inning battle 1 to 0. The Cubs dropped back to a tie with the National League lead at 10. Malone, who had been idle since the start of the season, was 10-0. He was 1-1 in his first three games. Malone batted .340 in the winning contest played in Boston this season. Malone was 10-0.

One never knows how close to his last he is come until the winning team arrives.

TEN GET DIPLOMAS AT COMMENCEMENT

Eighth Grade Class Graduated at Claridon Township School

CLARIDON, May 15.—A class of 10 was graduated from the eighth grade of the Claridon Township school last night. Commencement ex-

ercises were held at the schoolhouse. The Rev. Charles McFarland pastor of the Claridon M. L. church presided over the exercises, after which the following tales were given: "How Did You Pickle Your Walkers?" "Farewell, Father" "The People's Florence" "Stranger It Can Be Done" "Frankie Rettner" "Halfway Down" "How I Once Cheered Up" "Nadine" "Never Maker of the Flag" "How I Fish."

The commencement address was made by Rev. Frank Wiegardt, and diplomas presented by Thurl

Stephens, superintendent. A suite in the Deaconess was played by Rev. Mrs. Smith of Cleveland by a solo violin. Nathan, 16, Mrs. 17, Betty McFarland, Helen Trout, 17, Helen F. Knapp, 17, and Dorothy 17, all of Marion, were the soloists. Paul Wolden, 17, of Marion, was the soloist in the choir.

Members of the class are, in the following order: Helen E. Johnson, 16, Mrs. Mary Bartell of Rock River, were weekend guests at the home of their parents Mr. and Mrs. S. L. Hart.

Mrs. W. R. Althaus of Spencerville was a weekend guest at the home of T. L. Armstrong, Mr. Dewey Sproul and daughter Shirley Ann, of Marion, and Mrs. Margaret Althaus of Spencerville were Sunday guests.

Mrs. Margaret Gooling of Lewis Center was the guest of her aunt Mrs. J. A. Williams and family Monday and Tuesday.

Mrs. Dorothy Miller left Tuesday for Springfield where she will make an indefinite stay with her grandmother.

The pupils of the fourth grade and their teacher, Miss Helen Horsey, enjoyed a picnic dinner at the schoolhouse Friday.

Entertainment will be made in Marion cemetery.

The body will arrive in Marion at 8 o'clock tonight and will be taken to the Foster home where it will be viewed all day Thursday until the graveside.

ACTRESS SUES HUSBAND

NEW YORK, May 15.—(UPI)—Stratford, Conn., man with Alene Brady in a Most Immoral City now playing in Detroit was sued for a divorce here today by his wife, Dorothy Patterson, a member of the cast of "Indiscretions." Miss Patterson promised to name two women as co-respondents. The couple was married in Ohio in 1929.

Your Boy in the \$5,000 Class

Your son can become one of the men who earn \$5,000 per year. That's the average salary paid college-trained men and it is five times larger than the average salary earned by the boy who goes to work from grammar school. Government figures prove it.

Ask us to tell you how much you should be saving each week or month to provide for your boy's college training.

We are intensely interested in this phase of thrift service.

Double Deck Sandwiches

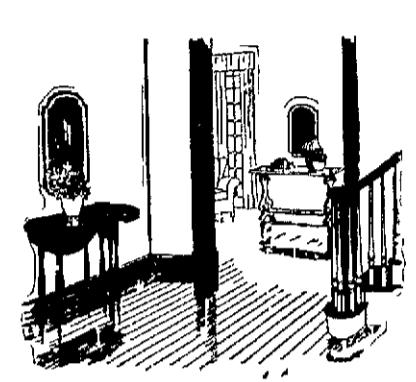

Most anybody can take two slices of bread and put a little boiled ham in them and a little mustard and call it a ham sandwich or any other filler for that matter. It took long experience and modern equipment to develop this TENDER'S marvelous Double deck Ham sandwich. And that is why Tenders is looked upon as specialists in modern soda fountain sandwiches the kind that are larger and more up to date cities would be proud of.
